"We disagree with it, but we respect it", says the police officer as they let them walk through the front door

This was not an armed insurrection, you leftist imbeciles

**Christina Bobb** @christina\_bobb

Capitol police open doors for the protestors. They stand aside and invite them inside.

I got tear gassed and turned back on the ground on the West side while police opened the doors and let people in on the East side. Who was giving orders here? It's not even that large of a building and they have two sets of rules? Oh wait, that sounds familiar...
